

Coming to America

Available in the United States exclusively through Milburn Equine!

> MXR Podoblock X-ray accessories

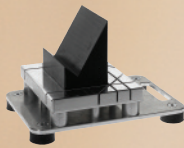

Now veterinarians in the U.S. can benefit from the same X-ray accessories as their colleagues in Europe! Milburn Equine is proud to be the exclusive U.S. distributor for Dutch manufacturer MXR Podoblock, whose innovative, safe and portable X-ray products are changing the way horses are X-rayed in the field.

Ask your Milburn Equine representative to show you the full MXR Podoblock product line, which includes:

Scandroid

- Transportable stool
- Extra storage space

MXR Podoblock

- Stand-up X-ray placement
- Hands-free

Stat-X Bucky

- X-rays easily slide in
- Steady hold produces accurate results

MXR Podoholder

- Protects your cassettes
- Hands-free

Skyline X-ray Box

- Angled placement for horse comfort

Contact your Milburn Equine representative or call 800.279.6452 for more information and a demonstration of MXR Podoblock products.
